EDUCATION

Lambda School Nov. 2018 to Current
Computer Science
Full - Stack Web Development

UEI College   Feb. 2016 to Feb. 2017
Computer System Technician
+ Essentials and A+ Application

SUMMARY

Hello. I'm John, a web developer in San Diego. I strive to learn, improve, and challenge myself every day. What gets me up each morning is knowing the website I create today is better than the website I created yesterday. I want to work with inspiring people who feel the same way I do.

SKILLS

HTML, CSS, JAVASCRIPT, GIT, AND UI PRINCIPLES, REACT, REDUX, REACT ROUTER, HTTP/AJAX, AXIOS, AND FUNCTIONAL PROGRAMMING TECHNIQUES, NODE.JS, EXPRESS, SQL, SQLITE, POSTGRESQL , AUTHENTICATION, OAUTH:
